- Production:** 3.000 bottles of 750 ml.

Analitical Data:

Alcohol Content: 14%.
Total Acidity: 5,2 gr/l.

Tasting Notes:

MOGAR COLECCIÓN PRIVADA – RESERVA ESPECIAL is a wine with a long ageing in barrel followed by several years in bottle, leading to a very rounded and well-balanced wine, of outstanding bouquet. It shows a live cherry colour that confirms its great potential for laying down. Intense in the nose, keeping ripe red berry fruits aromas perfectly integrated with new oak. Round and full-bodied in the mouth, with sweet tannins on the palate. A wine to really enjoy.

Servicing Recommendations:

It is a good wine to accompany meat and game dishes, perfect to share in long talks.

Please decant the wine if there is any deposit. Servicing temperature: 16-18°C.
